Certificate

2024-2025 | SAP Edunetfoundation
Advanced Emerging Technologies Training

Summary

Enthusiastic and detail-oriented Information technology student with strong foundational knowledge in programming, software development, and database systems. Eager to apply academic learning to real-world software solutions. Quick learner with excellent problem-solving and teamwork skills. Passionate about building user-centric applications and continuously improving technical skills through self-learning and projects

Projects

Gesture Control Mouse

Developed a touchless interface to control a computer mouse cursor using hand gestures. Leveraged OpenCV and computer vision to track and interpret hand movements enhancing accessibility and innovation.

Portfolio

This project showcases my skills, projects, and experience as a developer.

Fingerprint Payment

Building a cutting-edge biometric payment system using finger vein recognition for secure, seamless transactions.

Eazy Rail

Created a user-friendly platform for railway seat booking, allowing users to select specific seats and coaches, a feature not available in traditional railway booking systems. Developed an admin interface for managing train schedules, with the ability to add, edit, and delete train details and view/download booked tickets.

Education

Bachelor of Information Technology

Drs. Kiran & Pallavi Patel Global University
Vadodara, Gujarat

GPA 8.35 /10

Higher Secondary Certificate

Narayan Vidyalaya
Bharuch

Percentage 50/100
